Jack,

Can Dawn send Vicki and I a copy by e-mail? I have 2 comments:

- 1) Change "Territories" to "Units" (because Units are assigned Vans, not Territories)
- 2) Place "Units that have fewer than 22 Mega accounts" before "Units that have more than 22 accounts". Makes a better transition off of lead in sentence.

Thanks, Eileen

Eileen,
Dawn completed the memo yesterday and gave it to Frank. It will go out in the next Batch Mail which is Monday, 2/27.
